7.0 Objective Career

To find a challenging position to meet my competences, capabilities, skills, education and rich experience in planning, budgeting, management, support supervision, monitoring and evaluating, capacity building, procurement and development.

8.0 Outstanding career achievements

- i. Coordinated the assessment of gender and equity Planning and budgeting in Uganda since enactment of the Public Finance Management Act, 2015 in a concerted effort to enhance gender equality 2015-to date
- ii. Coordinated the production of gender and equity Planning and budgeting tools in Uganda
- iii. Coordinated training of Local Governments, CSOs and the Central government officials on gender responsive planning and budgeting.
- iv. Coordinated the production of the first, second, third and fifth Annual Report on the State of Equal Opportunities in Uganda 2010-2013, 2014/2015, 2015/2016 and 2016/2017
- v. Coordinated the development of the first and second EOC strategic plan 2013/2014-2017/2018 and 2017/2018-2019/2020
- vi. Participated in the development of the EOC Sector Level Monitoring and Evaluation Framework
- vii. I have trained over 7,000 graduates at Makerere University in monitoring, evaluation and reporting 2011-2016
- viii. Developed the DGF Project monitoring and Evaluation Framework for EOC
- ix. Spearheaded the writing of various monitoring and evaluation Reports on compliance to equal opportunities
- x. Spear headed the review of UWESO procurement guidelines/policy to meet acceptable standards.
- xi. Participated in the design of the monitoring and evaluation framework for the East African Common Market Protocol. In an effort to operationalize a Common Market among the 5 Partner States, a committee of 15 members was constituted with each Partner State represented by three members. On this committee, I represented Uganda and Particularly Ministry of Education and Sports.
- xii. I developed and made projections for MoES Indicators for 2011-2015 National Development Plan (NDP). The projections were made using economic models at key levels of education. These levels include; Primary, Secondary, BTVET and Tertiary Education.
- xiii. Author of Chapter Four of the Annual Education and Sports Sector Performance Report for five years, this Chapter covers Uganda's Education and Sports Sector's Performance on Quality, Access, Efficiency, Equity, Effectiveness, International Commitments (MDGs and EFA) and cross cutting issues such as Gender, HIV/AIDS and Guidance and Counseling.
- xiv. Developed World Bank Model used to implement APL1 project. Among the key tasks of the APL1 Project is to equip Universal Secondary Schools with adequate infrastructure, science equipments and human resource.
- xv. Participated in the development of the School Health Strategic Plan and Policy. Development of this strategic plan was supported by UNICEF and my role was to spear head the costing of identified critical activities and availing statistics.
- xvi. Participated in the development of the HIV/AIDS Strategic plan for Ministry of Education and Sports. This strategic plan will run for the period 2011-2015. Under this task, my expertise was instrumental in developing performance indicators and constructing a monitoring plan.
- xvii. Co-author of the South African Consortium for Monitoring Education Quality (SACMEQ) III Report (SACMEQ Countries are 15 in number Uganda inclusive)_Supported by the French Government. Uganda joined the Southern Africa Consortium for Monitoring Educational Quality (SACMEQ) in 1998. SACMEQ is a group of Sub-Saharan African Education Ministries Co-operating in educational research aimed at improving the quality of education in the participating countries. I served as a 2nd Deputy SACMEQ Coordinator for Uganda for three years.
- xviii. Developed a monitoring and evaluation framework for the ECLT project implemented by UWESO in Hoima District. The framework was letter uploaded on line and it has data capture tools, monitoring and evaluation plan, feedback and report templates. The system is being used to track project performance.
